### 3rd Howard University Opioid Symposium

For Pharmacists & Other Healthcare Professionals  
Virtual

8am - 1:30pm EST

**October 31, 2023**

Howard University College of Pharmacy – Office of Continuing Professional Education (CPE) is dedicated to promoting the continuous professional development and education of pharmacists, pharmacy technicians, and other professionals in the field of pharmacy with a focus on educational programs and training that address current trends in drug therapy management in diverse populations, regulations and laws affecting pharmacy practice, and Diversity, Equity and Inclusion (DEI) in clinical trials.

## Recent Accomplishment:

Grant from Syneos Health Consulting: Addressing Racial Disparities in Pain Management and Opioid Analgesia: *The Role of the Pharmacist in Improving Best Practice*

- ✓ We were the first pharmacy institution to receive this grant (first awarded in 2018)
- ✓ Hosts relevant symposiums focused on pressing issues in healthcare, medication, safety, and public health.
- ✓ Aligns with the University's research strategic priority to regain R1 status

The grant activities are supported by an independent educational grant from the Opioid Analgesic REMS Program Companies (RPCs), specifically Syneos Health, Inc., and are intended to be fully compliant with the Opioid Analgesic REMS education requirements issued by the US Food and Drug Administration
