your CE Credits

The Howard University College of Pharmacy is approved by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This program meets ACPE criteria for 2.0 contact hours (0.2 CEUs). Statements of credit will be mailed within 3-4 weeks of the seminar to those who successfully complete the program. Successful completion requires evaluation of each session attended. The evaluation form must be completed and returned at the conclusion of the program. The ACPE Universal Activity number assigned to this program is 0010-0000-15-003-L05-P
