**The Network of Ethiopian Diaspora Healthcare Professionals Announces
10th Global Ethiopia Diaspora Conference on Health Care and Medical Education**

Theme of the Year

“The growing burden of cardiovascular diseases in Ethiopia: from Rheumatic to Ischemic”

Title of the presentation

“Integrating Traditional Medicine into Medical Practice”

Date/Time: Saturday, October 20th, 2018 (1 hour) – 2-3pm EST

Venue: Residence Inn, 550 Army Navy Drive, Arlington, VA 22202

Fee: N/A

Activity type: Knowledge-based (Live Presentation)

Objectives: After completing the program participants should be able to:

1. Select a treatment strategy for the most commonly used herbs sold in community pharmacies in the United States
2. Outline a treatment strategy that includes the most commonly consumed herbs by Ethiopians in the Diaspora
3. List over-the-counter or prescription products that are pharmacologically and therapeutically equivalent to the herbs discussed in the presentation.

Presenter: Dr. Bisrat Hailemeskel, Vice Chair, Co-Director of International Grants, & Associate Professor, College of Pharmacy, Howard University.

Financial Disclosure: None

Target Audience: Pharmacists, Physician, Nurses, and other professionals.

The Howard University College of Pharmacy Office of Continuing Professional Education (CPE) is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This program meets ACPE criteria for one contact hours (0.1 CEU). Credit will be awarded through the CPE Monitor, within 3-4 weeks of the seminar to those who successfully complete the program, using the following URL: <https://hurxce.learningexpressce.com/index.cfm>. Completion of the evaluation form and a score $\geq 70\%$ correct on the post-assessment test will be required for successful completion. The ACPE Universal program number assigned to this program is: 0010-9999-18-022-L04-P
