

You're invited to our:

A City in Crisis: The Opioid Epidemic in DC and the Role of Naloxone

UAN: 0010-9999-19-014-L01-P and 0010-9999-19-014-L01-T

AmeriHealth Caritas DC invites your pharmacy staff to join us for a two hour .02 CEU Program, with a dinner and roundtable.

Date: Tuesday, April 2, 2019

Time: 6:00 PM to 9:00 PM

6:00 PM to 6:30 PM Dinner is available for all attendees

6:30 PM to 8:30 PM CEU Program Presented

8:30 PM to 9:00 PM Roundtable with AmeriHealth District of Columbia and PerformRx

Location: Courtyard Marriott Washington, D.C. – 1325 2nd Street, N.E., Washington, D.C. 20002

CEU Program Presented By: Dr. Jasmine Carpenter, Pharm. D., BCPS, BCPP, Pharmacy Residency Director and Mental Health Clinical Pharmacist at the Washington, D.C. Veterans Affairs Medical Center. Dr. Carpenter is also adjunct faculty at Howard University College of Pharmacy, in addition to serving as a clinical preceptor for students and residents.

Activity Type: Knowledge Base

Pharmacist Learning Objectives: At the completion of this activity, the participants should be able:

- To describe the effect of the opioid epidemic at a district and national level
- To examine the role of naloxone in acute opioid overdose
- To outline the steps in naloxone administration
- To identify the pros and cons of this agent comparing to other treatments in the short and long term management of OUD

Pharmacist Technician Learning Objectives: At the completion of this activity, the participants will be able:

- To recognize abuse potential of opioids in treatment of pain
- To state the effect of the opioid epidemic in the local community and the District.
- To state the role of naloxone in acute opioid overdose
- To list the steps in naloxone administration

Statement of goal: To increase familiarity of pharmacist and technicians with the management of patients with Opioid addiction and the use of Naloxone in its treatment.

CEU: Each attendee who participates by attending, signing in and completing the required course and paperwork will receive (.02) CEUs. Information on obtaining the CEU through Howard University College of Pharmacy will be provided at end of session. This is a knowledge based activity. The Howard University College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

Fee: "There are no fees associated with this program!"

As dinner will be provided to all attendees and seating may be limited, please do not forward and please RSVP by March 27th to:

Rose Mulligan
